PLANNING FOR CANADA

THE BENEFITS:

The Royal Alberta College (RAC) is accredited by the Government of Alberta this process required the RAC to provide evidence on the potential jobs for graduates. This is to assure that when a student graduates from our college that they can find relevant and meaningful work. The RAC provides the most relevant and updated curriculum based on industry needs and academic theories. Curriculum is delivered through the latest technology with an objective that our students will gain insight on how to manage and assist their employers within today's changing world.

SCHOLARSHIPS:

The Royal Alberta College is one of the only colleges in Canada that offers financial bursaries and subsidies (Scholarships) to International Students. Subsidy Scholarships are awarded yearly to citizens of specific countries. Other scholarships are awarded to enrolled students and are based on the students' work-ethic,

community service, grades and other components while they are attending the RAC. These scholarships are held in the honour of highly respected Canadians.

CLASSROOM OUTINGS:

Students at the RAC will enjoy monthly outings to local historical and heritage sites where they will learn about the community, City of Edmonton, the Province of Alberta and Canada.

COST OF LIVING AND HOUSING:

Students are required to find their own accommodations (residence) and other resources such as: food, transportation, mobile. Housing is readily available and can be found using social media apps such as Facebook Market Place whereby students can place the address of the college and see what is available and the renters profile. RAC students are eligible to enroll into the Government of Alberta Health Care system to access covered medical services, and work while attending.* More information is provided to enrolled students in the International Student Prospectus.

WPPP: (WORK PRACTICUM PLACEMENT PROGRAM)

The Royal Alberta College is one of the only post-secondary schools' in Western Canada that offers a student work practicum program for International Students. The WPPP was created to assist the persistent and evident problem that students face while in school and after graduation while trying to pursue their pathway for PR- Not having sufficient work experience to enter their field of career. All students across Canada compete with each other for entry level jobs (Canadians, as well as International) So having an introduction into the workforce will assist you.*Not all students will be able to enter into the WPPP

WHAT MAKES THE ROYAL ALBERTA COLLEGE SO GREAT? HERE ARE SOME ANSWERS:

- WPPP ! The Work Practicum Placement Program, this process sets you on your pathway to PR
- Location: The RAC is located in the capital of Alberta, in the City of Edmonton.
- The RAC is accredited and licenced from the Province of Alberta.
- The lecturers are top caliber educators that have a tremendous amount of experience (Industry & teaching)
- Cost! The RAC, is one of most cost effective schools in Canada, students save around \$18,000 annually.
- We work with other post-secondary schools to help our students apply for admissions while attending the RAC.
